"Jag" ta Your Eye. Boston Advertiser.

Here is a word of somfort for "persons whose nerves are excited by protracted and excessive use of sumulants," as a medical correspondent of an esteemed contemporary delicately puts it. The snakes you see are not snakes at all, but are the congested veins that cover the eyeball, swollen so that they become visible, and each vein, long, thin and vinuous like a serpent, "seems frequently startlingly like a snake." It's all in your eye, you know.

By a premature explosion of a dynamite blast near Roanoke, Va., two men were instantly killed and two fatally injured. They were all colored except the boss, who was white, and is still alive.

HAZELTON PIANO

Is a marvel of sweetness and power, of grace, beauty and brilliancy. Every note is clear as a bell. Every chord is perfect harmony. Every part is evenly balanced. The action is light, firm, elastic responsive. The scale is scientifically correct and musically perfect: the workmanship the highest skill can make them, and thematerials are the best.
